9. Reconsideration of the question of acquiring land for rounding the corner at the junction of Central Street and Hospital Road.

The Standing Committee consider that, if the wall on the northern side is lowered for a further distance of 4 feet to the west, and the new coping of the wall constructed to be in the level of the wall when inspected, and the live trees in the corner removed, acquisition would not be necessary.

Resolved that, in view of the improvements effected by the owner of the property as embodied in the recommendation of the Standing Committee above, the acquisition in question be dropped.

Petition dated the 2[illegible]th November 1929 from Mr. A. Abdul Aziz C/O Messrs. A. Abdul Latiff & Co., 46, Russell Market - Square, to the Collector, Civil Military Station, Bangalore.

With reference to your No. 4577-D-29 dated 25th October 29 forwarding a copy of Notification of the Honourable the - Resident in Mysore No.69 dated 23rd October 29 under Section 4(1) of Act 1 of 1894, I, beg to state that I am the owner of the premises No.6, New Market Road.

The measurement given in the Notification 135 square feet does not include the pial and the stone.steps at the west side measuring 13½ X 2½ or Sft 33¾, which should be included. The said pial and stone-steps belongs to me and is my property. It is in my possession for over 15 years.

I object to the acquisition, as the property is most valuable and most prominently situated and forms a part of my adjacent building.

The acquisition would injuriously affect the adjacent building bearing No.46, Russell Market-square which also belongs to me and depreciate the rental value of that property.

I further object to the acquisition, because it would also affect the beauty of my adjacent main building by removal of building under acquisition, as there is a 7 X 6 feet shop door belongs to my building No.46, facing to the Russell Market, which must be re-opened and errect a terrace verandah to connect with the existing verandah of my building No.46, above referred to which will be very costly work, unless the verandah as above be constructed, my property No.46, would be seriously affected and depreciate its beauty and rental value.

Even in face of all above objections, if the acquisition be carried, I claim, that I should be granted permission to - errect the above said verandah measuring at the South 12½ feet and at west 12½ feet <u>free of tax</u>, and this should not cut or

55/C

Statement of Mr. Abdul Aziz.

I am the sole owner of the property proposed to be acquired. I chiefly object to the acquisition, because the removal of the shop will spoil the uniformity of the adjoining building, which will be left with a verandah along part of its frontage, and none for the remainder of the frontage where the shop proposed for acquisition lies.

The shop now proposed for acquisition is rented out for Rs.11/- per mensem: I have had offer of Rs.25/- per mensem for this shop. I have not traced the documents wherein these offers were made.

The tenants themselves can confirm the offers of Rs.25/- per mensem which I have had some years ago one Asudullah offered Rs.25/- per mensem for this shop. The present occupants are poor people and old friends and so I did not disturb them.

I object to the measurements, as the steps measuring 13½ X 2½ feet have not been included.

I object further, since if the building is removed, I would require to put a verandah outside the door on the side adjoining the building proposed for acquisition, which door is at present closed.

The following are replies to the objections raised by the owner of premises No.6. New Market Road:-

Para 1. The basis for valuation has been taken as 15 years rental at Rs.11/- per month, and therefore the questior of pyal and steps does not arise. These are included in the acquisition as they form a part of the building.

Para 2. The building is required for a public purpose, and is therefore to be acquired.

Para 3. This would not affect the adjacent building as it has got a separate entrance facing Russell Market.

Paras 4 & 5. There is no door at present facing Russell Market and permission cannot be granted to open one, or put up a terrace verandah.

I heard the objector's pleader under Section 5-A(2) of the Act and also the Executive Engineer and enclose copies of their statements.

I beg to acknowledge the receipt of your communication No.3173-D-29 dated 15th August,29, forwarding copy of Notification No.54 dated 13th August,1929 issued by the Hon'ble the British Resident in Mysore, Bangalore, under Section 4 1) of the Act 1 of 1894.

I beg to file the following objections to the proposed acquisition of premises No.35 Cavalry road, C&M station, Bangalore.

The acquisition is in respect of only premises No.35 Cavalry Road, Civil and Military Station, which is adjacent to and intimately connected with premises No.36 Cavalry road as a matter of fact premises Nos.35 and 36 Cavalry Road, form in reality one continuous building and separated only by a thin partition wall on the interior. The acquisition of one of these portions deteriorates the value of the other considerably and renders the other useless in many respects. Thus, I will be much handicapped and prejudiced by the intended acquisition of only one of the properties. I, therefore, pray that both properties (premises Nos.35 and 36 may be acquired or in any event compensation be awarded to me on the basis of acquisition of both the properties.

I remain etc.,

I file a vakalat to appear on behalf of Chinnanna Reddy

I object to the acquisition of No.35 Cavalry Road unless No.36 is also acquired. The two are rooms in one building only separated by a thin partition wall and the demolition of No.35 will seriously affect the value of No.36.

Also No.35 is the most valuable portion of the whole property and fetches the highest rent namely Rs.8/- per mense

STATEMENT OF MR. EDWIN, ASSISTANT ENGINEER.

No.35 has always been rented as a separate building. as clearly constructed subsequent to the main building and an addition thereto. Its removal will not affect the valu of the remaining portion comprising shop No.36 which will b complete entity.

SIR,

Land Acquisition - Junction of Cavalry Road and Veerapillai Street - Rounding off the corner - Your No.6957 dated 13-8-1929.

.....

In response to the notice issued under rule 1 of Land Acquisition rules, I received an objection petition from the owner of premises No.75 Cavalry Road a copy of which is herein enclosed. I heard the objector's pleader under Section 5-A(2) of the Act and also the Executive Engineer and enclose copies of their statements.

I have inspected the premises and am satisfied that the proposed acquisition will in no way affect the unacquired portion of the petitioner's property. I request, therefore, that the Hon'ble the Resident may be pleased to overrule the objection and direct the acquisition of the land.

3. To save delay I am enclosing a draft declaration under Section 6 of the Act for favour of approval and publication in the Residency Orders.

4. The plan of the land was sent to you with

(13)

I beg to acknowledge the receipt of your communication No.3173-D-29 dated 15th August,29, forwarding copy of Notification No.54 dated 13th August,1929 issued by the Hon'ble the British Resident in Mysore, Bangalore, under Section 4 1) of the Act 1 of 1894.

I beg to file the following objections to the proposed acquisition of premises No.35 Cavalry road, C&M station, Bangalore.

The acquisition is in respect of only premises No.35 Cavalry Road, Civil and Military Station, which is adjacent to and intimately connected with premises No.36 Cavalry road as a matter of fact premises Nos.35 and 36 Cavalry Road, form in reality one continuous building and separated only by a thin partition wall on the interior. The acquisition of one of these portions deteriorates the value of the other considerably and renders the other useless in many respects. Thus, I will be much handicapped and prejudiced by the intended acquisition of only one of the properties. I, therefore, pray that both properties (premises Nos.35 and 36 may be acquired or in any event compensation be awarded to me on the basis of acquisition of both the properties.

I remain etc.,

Sd. Chinnanna Reddy.

STATEMENT OF MR. GURU REDDY.

(w)

I file a vakalat to appear on behalf of Chinnanna Reddy

I object to the acquisition of No.35 Cavalry Road unless No.36 is also acquired. The two are rooms in one building only separated by a thin partition wall and the demolition of No.35 will seriously affect the value of No.36.

Also No.35 is the most valuable portion of the whole property and fetches the highest rent namely Rs.8/- per mense

SD. A.S.Guru Reddy.

STATEMENT OF MR. EDWIN, ASSISTANT ENGINEER.

No.35 has always been rented as a separate building. as clearly constructed subsequent to the main building and an addition thereto. Its removal will not affect the valu of the remaining portion comprising shop No.36 which will b complete entity.
